

## Driving Directions to Eagle Vision Ministries Retreat Center

Address: 267 West Bridger Creek Rd, Reed Point, MT    Landline: 406-412-7844

**NOTES:** It's doubtful that Google maps will get you to the right place or that cell phone reception will be strong enough to call for directions to the retreat center's landline.  
Plan for at least 90 minutes total from Billings (about 75 miles).  
After you turn off the interstate it will be 20-30 minutes (about 11 miles).

### DIRECTIONS

1. From Interstate 90 take **Exit 384 Bridger Creek Road**. Turn left (south) and go under the interstate.
2. At the stop sign, turn right onto **Bridger Cr Rd**. Go around the curve and continue south **8.2 miles** on gravel road.  
You will go over 2 main bridges (and a little bridge you probably won't notice). Half a mile after the second main bridge is your next turn, at a T intersection.  
Watch for wildlife, especially deer.
3. At the **T intersection**, you will see mailboxes. **Turn right** there and go another **2.3 miles**.  
(You won't see the WEST Bridger Crk Rd sign until you drive around the bush.)

You will drive over 2 bridges — but you may not notice them because you are enjoying the scenery. :)

4. You will cross into **national forest**.
5. **At the Y**, go **right** on **West Bridger** (uphill) and go another **0.4 miles**.
6. **You're there!** Watch for the retreat center gate on the left side.  
The fenceposts read **"267"**.

Drive down the lane and you will see the cabin.

**Note:** *If you cross a cattle guard, you have gone too far. :)*
